MISS ADDIE F. FLINT

Miss Addie F. Flint died Friday morning, April 15, at the home of her niece, Mrs. Freeland Clark, following a long illness.

She was born in Colebrook, N. H., Feb. 20, 1876, daughter of Fred A. and Lucinda Bennett Flint. Before coming to Bethel in 1950, she had lived for 40 years in Brookline, Mass., where she was a managing housekeeper. She was a member of Purity Chapter, OES, of Bethel.

Surviving are a brother, Harold E. Flint; several nieces and nephews.

Funeral services were held Sunday afternoon at the Greenleaf funeral home, Rev. Charles Pendleton officiating. Interment was in Woodland Cemetery.

A TRIBUTE TO MISS ADDIE FLORENCE FLINT

Although Miss Flint had lived in Bethel only a few years, yet she had gained numerous friends who will long remember this attractive, witty, and altogether charming woman.

During her many years in Boston, her friends and clients had been people of travel, culture, and distinction.

After her retirement in 1950, she came to establish her home in an apartment in the residence of her late brother, Perley Flint. Her apartment was an expression of her vivid personality and was filled with rare lovely art treasures and antiques. There she entertained graciously and picturesquely.

Miss Flint had ever been an avid reader of good literature and a lover of the theater and fine music. Her interests were wide and many. When her eyesight failed so that she became a partial invalid, she received the utmost in loving care from her niece and nephew, Margaret and Freeland Clark.

Life's greatest boon to the elderly, sudden and painless death, came to her in her sleep early in the morning of April fifteenth.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Due to the public spirit of Mr. McMillin and Mr. York in giving the use of equipment we are in the process of rebuilding Philbrook Street at a rather moderate cost to the Town. As many know this street is at best rather narrow, and the surface has been bad for some time. We hope that the street will take care of the traffic more satisfactorily in the future.

"Lights On" Drive In Cancer Fund Next Thurs. Eve

If you are a man over 45, you are six times as likely to develop lung cancer as a man of your age 20 years ago.

Our doctors still don't know why that is true. They do know, however, that your best "insurance" against death from lung cancer is to have your chest x-rayed twice a year. They know that their chances of saving your life will be many times greater if they detect cancer when it is still only a "warning shadow" on an x-ray film, long before you notice any symptom in yourself. (Today, only one man out of 20 who develop lung cancer is saved, largely because most cases spread too far before discovered.)

Of all men who die of lung cancer, 94 per cent are 45 years of age or older. Only six per cent are under 45.

Faced with these grim facts, our doctors urge us to do everything in our power to persuade you to have your chest x-rayed twice a year, no matter how well you may feel. Far too many men die needlessly.

"Lights On" for the Cancer Fund will be held Thursday evening, April 28, from 7 to 8 o'clock. The money will be turned in at Mrs. H. W. Cole's on Clark Street. The following are the people working on the "Lights On" Canvass:

Mrs. William Chapman, Broad Street; Mrs. Charles Helms, Spring Street; Mrs. Earline Palmer, Upper Main and Philbrook Streets; Mrs. Dick Eastman, Lower Main Street; Mrs. Wilbur Myers and Mrs. Clayton Fossett, Elm, Summer and Winter Streets; Mrs. Paul Bodwell, Mechanic Street; Mrs. Herbert Kildredge, Tyler and Kilborn Streets;

Mrs. Roland Glines and Mrs. George Lotthrop, Mayville; Mrs. Earl Davis, Chapman Street; Mrs. Henry Robertson, Mason Street; Mrs. Robert Davis, Mill Hill; Mrs. Patrick O'Brien, Paradise Street; Mrs. Walter Jodrey, Clark Street; Mrs. Leland Brown, Railroad Street; Mrs. Kimball Ames, Church Street; Mrs. Norman Greig, Vernon Street.

The following will canvass individually, not during the "Lights On": Mrs. Asher Rannels, Sunday River; Mrs. Edith Eypner, Middle Intervale Road; Mrs. Charles Chapin, Stillington; Mrs. Lee Swan, East Bethel; Mrs. Elmer Bean, Glenhead; Mrs. Arthur Gilbert, West Bethel; Mrs. Rufus Rice, Railroad Street to Grafton Mill.

TODAY'S meditation

from
The Upper Room
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, April 21

Read I John 4:7-12.
He that loveth not knoweth not God; for God is love. (I John 4:7). In the National Gallery of England is a wonderful picture in which Christ hangs on the cross in the midst of darkness. As one keeps looking at the painting, gradually he discovers another form in the background—God's form; other hands supporting Christ—God's hands; and another face—God's face, more full of agony even than the artist has pictured the face of Christ Himself. In His infinite love, God stands by the well-loved Son in the midst of unthinkable tragedy.

Today God stands by us, caring for us, loving us, suffering with us and for us. We ought never to think of Him as far from us, leaving us to stagger on alone in the dark. He is always near, nearest

when we need Him most. What ever else we may doubt, never let us doubt the love of God; for God is love, and we are the subjects of His love. All the resources of His infinite wisdom and power are at His command for our redemption and blessing. God is with us. His love enfolds us. Our victory through Him is sure, if only we believe.

Prayer
O Thou whose name is love, whose heart is ever longing to lift us into loving friendship with Thee, forgive our careless, sinful indifference to Thee, put within us the true spirit of penitence. Teach us how to know Thee that we may love and serve Thee as we ought. In His name, Amen.
Thought For The Day
The eternal God is our Father.

THE LOW DOWN FROM HICKORY GROVE

This essay we will call, "coming home to roost." In our high and wide-flying days back yonder a bit when nobody could propose a hot scheme of getting prosperity regardless of sweat or high water—just so it enticed the sucker vote—we adopted "props." It took. First it was pigs—now it goes down the alphabet. Paining potatoes blue and unfit for man was one of our antics, as the grocery stores got only poor spuds for their customers. History—in part—is what I'm gassin' about.

Now, Uncle Ike's man, Brother Utah Benson, is making headway in standing his ground against making props universal and perpetual. I give the gent 3 cheers—he is no run-of-the-mill person, he is an All-American in my diary.

And now what? Brazil has caught on. The paper says that Brazil is considering the burning of 6 or 7 million bags of green coffee to keep the price up. A surplus this year—last year it was a scarcity causing the high prices. About 1,000,000,000 pounds of coffee slated for the furnace. Very close to our blue painted spuds, I say. Eh! wot! Chickens comin' home to roost. It is—all the way from Brazil. They have caught on quite rapid-like there south of the border, to our "plow 'em under" loose and prop theories that still persist with us. So don't bluster too much folks. You know who started the fuddled.

Yours with the low down,
JO SERRA

Here's why you get the full value out of your tire dollar investment by buying Snow's retreads.

They cost 50% less than a new tire and users say they wear as long as the original tread. Each tire is as safe as new and is guaranteed just like a new tire.

Take advantage of the experience of taxi owners — buy Snow's retreads.

Ask for Snow's Retreads at your friendly neighborhood service station or garage.

BEAR RIVER GRANGE

Bear River Grange met at their hall, April 8, with W. M. George Stearns in the Master's chair. Several matters of business were taken care of. We draped our charter for Brother Willie Brooke—and a committee on resolutions was appointed. This being "Old Fashioned Night" the worthy lecturer, Lillian "Candle of Love" Ago, and turned the program over to Sister Lillian Coolidge of the H. & C. W. Committee. We had visitors from Lone Mountain, Rumford Center, and Swift River Granges, besides a few others. And the best of all were the outfalls of "long ago" that the visitors were wearing.

The program consisted of readings of several members, music by visiting members, Mrs. Alice Morton of the State H. & C. W. Committee was a visitor and gave us a nice talk on H. & C. W. work also some details on the dairy super to come. The annual Sugar Eat is to be April 29. We are using fancy Vermont maple syrup. Come bring your best gal and your aunt, uncles, and cousins. Don't forget Grandma either. There will be dancing after the "Eat."

The benefit dances are still being held every Friday night at the hall. We put on a supper for the Western Maine Fireman's Association, Monday April 11.

The next meeting will be April 23. There will be refreshments after the meeting and the speaker will be Charles Bradford, Commissioner of Maine State Parks and Memorials. He will also show slides on Maine State Parks so it should be very interesting. Let's fill the old hall till the walls bulge and the floor timbers creak. Aunt, uncles and grand mamas should be tickled pink to come so fill up "Old Hannah" and come to Bear River Grange, April 23rd. Thanks to each and every member that did their part to help make our supper Monday night a success, also thanks to the girls that waited on tables.

GOULD ACADEMY

NORWAY HERE TUESDAY
Tuesday afternoon the Gould past-timers will open their 1955 season meeting Norway High in the first game of the newly formed Western Maine Conference. The game is scheduled to start at 8:30. Construction is now in progress of remodeling the medical wing of Farnsworth House to accommodate seven additional boarding boys in the next school year.
